This Report is not a guarantee, valuation or appraisal and contains only the characteristics of the diamond described herein after it has been graded, tested, examined and analyzed by the laboratory issuing this Report ("GIA") and/or has been certified using the techniques and equipment used by GIA at the time of the examination and/or inspection. Incomplete reporting in this document may not be a guarantee, valuation, or warranty of a diamond's quality, quantity of weight or amount, or that the diamond will be identifiable by the inscription in the facets (since inscription can be removed). GIA makes no representation concerning any trademark, name, or symbol which is inscribed by GIA or which is identified on this Report. The recipient of this Report may wish to consult a professional jeweler or purveyor about the information contained herein.

**IMPORTANT LIMITATIONS ON BACK**

Red symbols denote internal characteristics (inclusions). Green or black symbols denote external characteristics (blemishes). Diagram is an approximate representation of the diamond, and symbols shown indicate type, position, and approximate size of clarity characteristics. All clarity characteristics may not be shown. Details of facets are not shown.
